

# THE PERSECUTION OF THE INTELLECTUAL

SAGA THREE: hell hath no fury

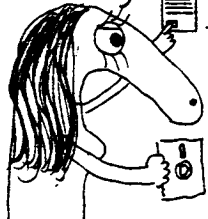

starring lawrence the long-haired weirdo

WHICH LAWRENCE RAPIDLY ASSEMBLES

THREE WEEKS LATER:

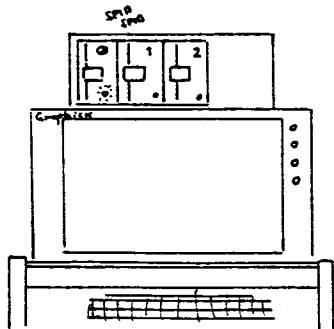

I HAVE FINISHED; I AM GOING TO YOGA; I HAVE NOT BEEN FOR A MONTH

LISTING

OK. I'M GOING OUT TO GET SMASHED

THEY RUN THE SOFTWARE INTO LAWRENCE'S NASCOM, NOW CONNECTED

INVESTIGATION

WHERE WAS THE DISC?

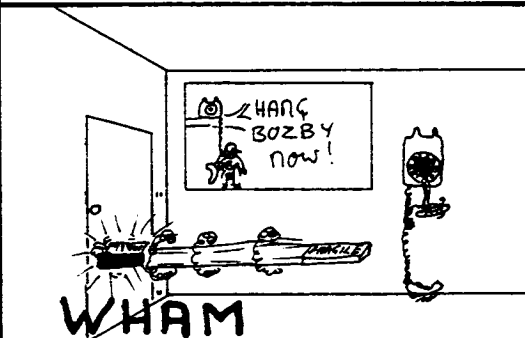

HERE

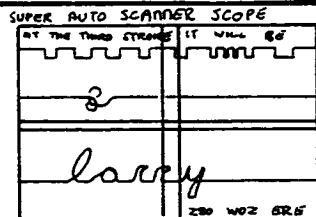

DC11

ONE MORNING A PARCEL IS DELIVERED BY THE FRIENDLY GPO.

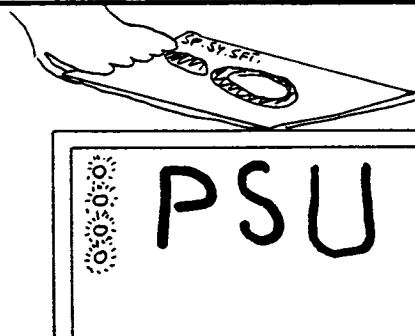

IT CHECKS OUT

● MICROPROCESSOR CONTROLLED  
● POWER SWITCH & STAND BACK

HELOISE PUTS DOWN THE DISC AND THEY BOTH GO OUT.

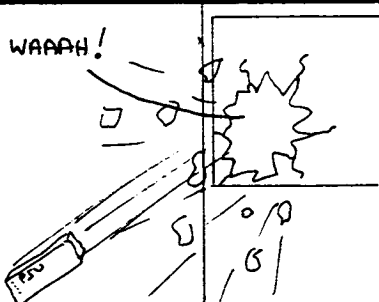

TO HIS H-FI.

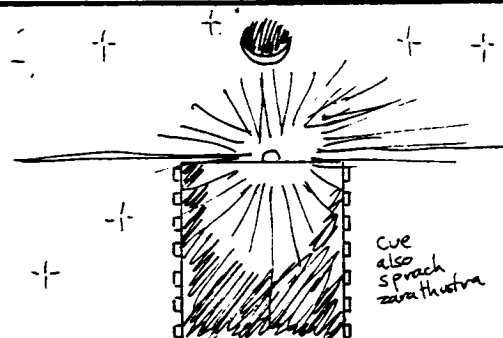

REVEALS THE CAUSE.

WAAH!

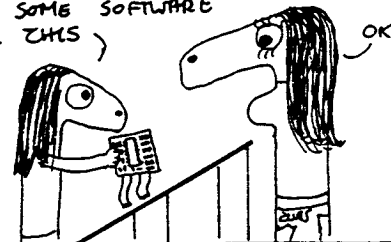

IT IS A FREE SAMPLE OF A REMARKABLE ONE-CHIP SPEECH SYNTHESIZER

SO

HELOISE, MI LUV, WRITE ME SOME SOFTWARE FOR THIS

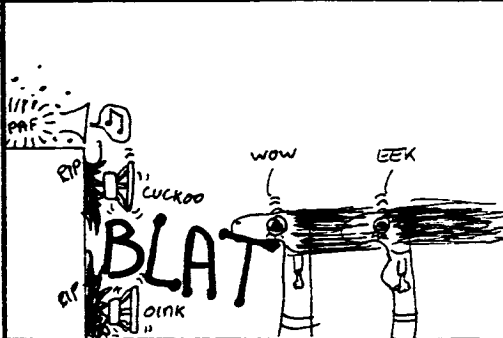

LATER

WHAZ A MESS YOU ARE IN, ETC.

RESULTS ARE NOT AS EXPECTED.

Discs and tapes are designed by their fiendish manufacturers to be sensitive to the smallest of magnetic fields, like that of the glorious NM power supply; try not to play into the reactionaries' hands by leaving tapes, discs etc where evil magnetic fields can thus defile weeks' work.
